

Manger to Mentor

TALENTREALITY101.COM

8 Hour Course

WHO:

- Current Management
- Up and Coming Managers

DESCRIPTION:

Many organizations are creating formal mentoring programs to ensure knowledge transfer, advance careers, management savvy, address performance deficiencies, and enhance employee productivity.

This program equips participants with the skills and resources necessary to effectively mentor employees.

This course is an active learning course. There are interactive exercises based on applied experiences in a rich joint learning environment.

OBJECTIVE:

Participants will be able to:

- Identify the difference and similarities between:
 - A mentor
 - A coach
 - A manager
- Recognize multiple mentoring styles
- Discover strategies for effective mentoring
- Steps to avoid mentorship traps
- Develop effective mentor based coaching skills
- Understand multiple learning styles & how to see them in their team

OUTCOME:

- Improved ability to mentor employees
- Successful future knowledge transfer
- Increased morale
- Higher Productivity both personal & across teams
