

Motivational Environment Creation

4 Hour Course

TALENTREALITY101.COM

WHO:

- All Staff

DESCRIPTION:

The key to leadership success is motivating others to do their best in achieving business goals, and motivation is the force that transforms people to be productive

Maximizing employee motivation is vital to successfully accomplishing the organization's targets and objectives.

Motivated employees:

- Higher productivity
- Higher morale
- More self esteem
- Increased team and organization loyalty

This is an active learning course with interactive exercises and applied experiences.

OBJECTIVE:

Participants will be able to:

- Recognize the Importance of a motivating environment
- Distinguish between intrinsic and extrinsic motivation
- Explore reasons why many workplaces focus on extrinsic motivators
- Determine if money is a motivating factor
- Apply motivation strategies to the workplace

OUTCOME:

- Enhanced leader ability to motivate employees to achieve corporate objectives
- Higher productivity, morale, and over all loyalty
